

## Fall 2018

“We are called to restore the purity and integrity of The Holy Mother Church by becoming saints and acting as examples to the world. Then, as in the early Church, the world may pause and pay attention to the Christians, inspired by their integrity, generosity and holiness, so different from the grasping selfishness of the Culture of Death.”

Fr. Shenan Boquet

Dear Family, Friends and Community,

Greetings from The Little Flower Maternity Home! We have had a summer full of babies and adventures! We had 3 new babies born in July and August! We also celebrated 1st birthdays for two of our babies born last August! In the past month we have taken multiple day trip adventures with the current mothers. We have seen many beautiful parts of Colorado and even ventured up to Wyoming one Sunday! These little adventures have given us an opportunity to bond in sisterhood and community! It's a reminder that life is an adventure filled with many unexpected surprises. The Little Flower mothers know this more than most because each one of them faced an unexpected pregnancy full of uncertainty and unknowns. Being a mother is certainly an adventure in itself filled with many unexpected surprises. We see daily how God does indeed have a plan for each mother and for each one of us! Being open to the will of God is not easy, but it is up to us in total freedom, to be open to go on the adventure that God has planned for us!

**SPECIAL  
EVENT**

The Knights of Columbus, Longmont Council #1313 and St. John the Baptist Council #14898, invite you, to join us for the 25th annual Longmont "Life Chain" on Sunday, October 7th, 2018.

"Life Chain is a peaceful and prayerful public witness of pro-life Americans standing for one hour praying for our nation and for an end to abortion. It is a visual statement of solidarity by the Christian community that abortion kills children and that the Church supports the sanctity of human life from the moment of conception" – (Life Chain website: [www.LifeChain.net](http://www.LifeChain.net))

The Longmont Life Chain, one small link in a coordinated national chain of peaceful, prayerful protests, will be held on Sunday, October 7th, from 2:00-3:00 p.m. at the intersection of Hover and Nelson Roads. Signs will be provided. We want to stress that this is a peaceful, prayerful protest; no laws will be broken. Our purpose is to promote public awareness of the tragedy of abortion.

For the past twenty-four years, the Longmont Life Chain has been blessed by growing numbers of participants. Can you help bring more presence and prayer to this powerful, prayerful event? Please join us in standing up for LIFE.
