

Summer 2018

Summer greetings from The Little Flower!

Dear Family, Friends, and Community, Three and a half years ago, The Little Flower welcomed the 1st mother through our doors. Today, 24 mothers have called The Little Flower home. We have experienced many ups and downs, joys and tears, and faced many uphill battles. But through it all, The Holy Spirit has guided and provided for this mission. I have seen in the last month, how The Little Flower is firmly planted by God and how this truly is a mission given by God. This mission is not about one person saying yes, but about following the will of God and standing up for pregnant mothers and unborn babies, even when the world is standing against them. I sincerely thank each one of you for your support for both this mission and for me!
