

“I do not agree with a big way of doing things. What matters is the individual. If we wait till we get numbers, then we will be lost in the numbers and we will never be able to show that love and respect for the person.”

-St Mother Teresa

Interns and A Mom spent the afternoon paddle boating at Waneka Lake!

Dear Family, Friends and Community,

We hope your summer is off to a good start! Things are moving right along here! We are blessed to have two summer interns here at The Little Flower! Therese comes to us from Franciscan University. She'll be with us until mid-July and then returning to Franciscan for her senior year! Haley is from Missouri and recently graduated from Benedictine College with degrees in Theology, Evangelization and Catechetics. She will be with us until the beginning of September. We are also blessed to welcome another mom into our home. Our new mom is due in early December. We are so happy to welcome her into our community! She fits right in!

Numbers are not the focus here at The Little Flower. Unlike secular shelters, it does not matter how many mothers we serve, it only matters that we show each one the love of God. What matters is that each mom that comes here has an experience of genuine love and support. That it becomes entirely possible for her to be the mother that God has called her to be.

I am constantly reminded that The Little Flower is not a secular business, but rather a ministry with a specific mission. I am personally in awe of the many miracles happening in our home and how God is allowing this ministry to grow. I was just looking at a few numbers, and want to share them with you- because it really shows how God is allowing this ministry to flourish and grow. Since 2015, we have served 381 Mothers by providing them with valuable resources and support. We have partnered with 339 agencies to work together in serving our moms. Currently we have 725 active supporters. To serve The Little Flower moms- we cannot do it alone and we realize that this work takes many people and many hands. We are thankful to God for each and every single one of you who have answered the call to help, to serve and to support this ministry!

St Therese, The Little Flower, Pray for us!

Intern Experience

"In a matter of just a few weeks, I have already grown closer to my beloved Savior. I am gradually learning more and more, not only how He sees me but also the areas in which I need to grow in. I look forward to growing even closer with the Lord and those He has put on the journey with me through my time as an intern here at The Little Flower Maternity Home."
