Summer 2020

"Anxiety is the greatest evil that can befall a soul except sin. God commands you to pray, but He forbids you to worry."

-St. Francis de Sales

Dear Family, Friends and Community,

Summer Greetings! This has been a summer like no other. In these challenging times, we are each called more than ever to stand up for mothers in need. We are called to trust in God for ALL our needs. At The Little Flower, divine providence happens here on a daily basis. There have been numerous parishes and individual donors who have stepped up financially to help us in these past months. Because of our generous donors, we were able to assist multiple struggling graduate moms with utility assistance. Our donors are so generous! They provided 16 meals to moms for Mother's day! Every time a donor steps up to serve our moms and our ministry, it is a visible sign of the love of God for our moms! We are so very blessed by all that you continue doing to serve and support our pro-life ministry!
