Dear Family, Friends and Community,

Summer Greetings! We are so happy things are returning to normal again this summer! We have many blessings to be thankful for here at The Little Flower! In March, we opened our new corporate office! Of course the heart of our ministry will continue to be the maternity home, but this new office will give us additional opportunities to speak life to women in a crisis pregnancy. We will offer free pregnancy tests and resources in a non-medical setting. It is our hope and our prayer to reach many women and offer them the life-giving options that seem impossible to them in the moment of a crisis pregnancy without support. God bless you for all that you do to serve and support our pro-life ministry!

St Therese, The Little Flower, Pray for us!
