## Summer 2022

Twin Babies Zephaniah & Rowan  
Born March 3rd 2022

Dear Family, Friends and Community,

Summer greetings! At The Little Flower, we celebrate joyfully every new life born! Every day we're on the front lines supporting mothers in crisis pregnancies. Since 2012, we have served over 525 moms through our ministry. We provide valuable resources to encourage and support every mother who contacts us. Women have called us scared and unsure of their futures and we have provided hope that motherhood is possible in less-than-ideal circumstances. If you hear of a pregnant woman in need, please have her call us directly to see how we can serve and support her to choose life for her baby! We are always looking for more volunteers and advocates to join us on the front lines in our ministry serving pregnant mothers and their unborn babies! Please contact us if you'd like more information about joining our life-giving ministry! We couldn't do this work without your prayers and support! May God bless each of you who support our ministry!

St Therese, The Little Flower, Pray for us!
