Dear Family, Friends, and Community,

Summer Greetings! This is our 8th summer since we took in our first mom in 2015! Time seems to pass so quickly! All of our babies are growing up and new little ones are arriving!

I am inspired by the courage and strength of the mothers we serve as they prepare for motherhood. I have seen our mothers experience God's love and mercy in our home and start to understand the love and forgiveness that God has for them. It is through our volunteers, donors and board members that our moms see God's love in action.

I am so grateful to God for all the love and support you show for our moms, their babies and this ministry!

May God abundantly bless you!
